Application for a student visa

Form

157A

Applying online

DIMIA offers a number of convenient internet services for student visa applicants. To find out whether you are eligible to apply online for a student visa, refer to DIMIA's website

www.immi.gov.au/e_visa/index.htm

If you wish to enter Australia or extend your stay as a student and you are not eligible to apply online, complete this form in ENGLISH using BLOCK LETTERS.

To complete this form you must first read these notes and information form 1160i *Applying for a student visa*. Detailed information is also available on the DIMIA website

www.immi.gov.au/study/index.htm

Who can use this form?

You should use this form if you wish to apply for a student visa and be assessed against one of the following subclasses:

- subclass 570 (Independent ELICOS) visa;
- subclass 571 (Schools) visa;
- subclass 572 (Vocational Education and Training) visa;
- subclass 573 (Higher Education) visa;
- subclass 574 (Postgraduate Research) visa;
- subclass 575 (Non-award) visa;
- subclass 576 (AusAID or Defence) visa.

Each subclass is linked to the kind of principal course you intend to undertake in Australia.

You are not able to use this form to apply for a Student Guardian visa (subclass 580). Form 157G *Application for a student guardian visa* is the only valid form for a Student Guardian visa application.

If you are applying for a visa that can be granted in Australia and you are making this application in Australia, this form also serves as an application form for any class of bridging visa (classes A, C or E) for which you may be eligible to apply – see the information form 1024i *Bridging visas*, which is available on the Department of Immigration and Multicultural and Indigenous Affairs (DIMIA) website

www.immi.gov.au/study/index.htm

If you already hold a student visa and want permission to work, you must apply for permission to work on form 157P *Application for a student visa with permission to work*.

Please refer to information form 1160i *Applying for a student visa* for further information about Australia's student visa program.

Changing education provider

If you hold a student visa and wish to change education provider, you may need to seek DIMIA's permission first. You must seek permission if your visa is subject to condition 8206 and you wish to change education provider either:

- while studying any preliminary courses; or
- during the first 12 months of your principal course.

If you wish to change education provider but continue studying the same type of course, you must apply on form 157C *Application for a student visa with permission to change provider*.

If you wish to change both your provider and the type of course you are studying, you must apply for a new student visa using this form (form 157A).

In either case, you must demonstrate that exceptional reasons exist to justify your change in enrolment.

Changing course type (education sector)

Your student visa is linked to the type of course you are studying. Each student visa subclass covers specific types of course only. If you wish to change your principal course at any time to a course in a different education sector, you must first apply for a new student visa using this form (form 157A).

For information on course types and their relationship to the different student visa subclasses, refer to DIMIA's website

www.immi.gov.au/study/index.htm

Applying for a student visa

To help you lodge your application and communicate with DIMIA while your application is being processed you should read information form 1025i *Making and processing visa applications*, which is available from your nearest Australian Government office or DIMIA website.

All student visa applicants must satisfy the criteria for grant of one of the student visa subclasses. These criteria include (but are not limited to) financial ability, English language proficiency, intention to comply with visa conditions and other relevant matters. Information on these criteria and the conditions that may be attached to your visa can be found in the information form 1160i *Applying for a student visa* and on the DIMIA website.

Note: If you are required to provide the results of an English language test, **you must sit the test before you lodge your visa application**. If you sit a test after you have lodged your application, the results of this test cannot be taken into account.

If you wish to study in Australia, your application will be assessed against one of 5 assessment levels for each visa subclass. Before completing this form, you must refer to information form 1219i *Overseas Student Program – Assessment Levels* for information on which assessment level applies to you. Information on assessment levels can be found on DIMIA's website.

In certain circumstances you may be requested to complete a supplementary information form. You will be advised by the visa processing office if this is necessary.

Your application may be decided solely on the basis of information provided in this application. Failure to answer a question may result in your application being refused if the decision-maker cannot be satisfied that you meet all of the criteria for grant of the visa. The provision of information to DIMIA which is incorrect may result in cancellation of your visa if it is granted. If you need more space to answer any question, write the details on a separate sheet, sign it and attach it to the application form.

Continued on the next page ►

You must provide all of the documentation necessary to support your application (originals or certified or notarised copies) and you must declare that you have done so. Failure to do so may result in your application being refused. The documentation required may vary depending on your assessment level and the subclass appropriate to your course of study. Information on documentation required is available on the DIMIA website. A decision on your application will be made on the basis of all the information you provide, your circumstances and the legal requirements that apply. If your circumstances change in any way after you make your application you must inform DIMIA immediately. Failure to do so can lead to cancellation of your visa if it is granted.

Applicants who provide false or misleading information may either have their applications refused, or their visa permitting them to remain in Australia cancelled.

Photographs

Applying outside Australia – enclose 4 recent passport-sized photographs of yourself and all family members included in this application.

Applying in Australia – enclose one recent passport-sized photograph of yourself and all family members included in this application.

Health requirements

All applicants must meet Australia's health requirements. You and any family members included in this application may be required to undergo a chest x-ray and medical examination. Refer to form 1163i *Health requirement for temporary entry to Australia* for further details.

If applying outside Australia under Assessment Level 3, 4 or 5, you should not undertake your medical or x-ray examinations until advised to do so by the Australian Government office processing your visa application.

Members of your family unit

The term 'members of the family unit' covers your spouse and dependent children of you or your spouse, who are unmarried and have not turned 18 years of age. School-age dependants are unmarried dependent children of you or your spouse who have turned 5, but have not yet turned 18.

Members of your family unit may apply for visas that will allow them to join you in Australia. They may apply for visas at the same time as you, or after you have arrived in Australia and commenced your course of study. If you are in Australia and your family members intend to apply to join you after you have commenced your course, you will need to complete form 919 *Student dependant nomination*. You must send this form and other necessary documentary evidence to your family members for them to lodge at the relevant Australian Government office.

Note: If you are processed at Assessment Level 3, 4 or 5 and intend to undertake a course of 12 months or less in duration, members of the family unit **are not** permitted to accompany you to Australia on a student visa.

All members of your family unit must be declared on your application form, whether or not they intend to travel to Australia with you. A member who is not declared will not be eligible for entry to Australia as a family unit member, unless they were not your spouse or child at the time you lodged your application but have since become so.

A school-age family unit member joining you in Australia is expected to attend school in Australia. You must provide evidence of enrolment for them if you wish them to be granted a student visa as a family unit member. You are responsible for their education costs in accordance with the charging policy of the relevant Australian State or Territory.

Your spouse will have a condition placed on their visa that limits their period of study in Australia to a maximum of 3 months. If they wish to undertake study beyond this period they must apply for a student visa in their own right.

If you are an AusAID or Defence-sponsored student, members of your family unit must provide evidence of support by the relevant Minister for them to be granted a visa as your dependant.

'No further stay' conditions

Your visa will be subject to a number of visa conditions. Information on these conditions can be found in the information form 1160i *Applying for a student visa* and on the DIMIA website.

In certain circumstances, your visa may be subject to the 'no further stay' condition 8534 or 8535.

Condition 8534

If you are an Assessment Level 3, 4 or 5 student whose overall intended period of study is 10 months or less, you will usually be subject to this 'no further stay' condition. This means that after entering Australia, you may not be granted any other visa while you remain in Australia, other than a further student visa with permission to work or a Graduate – Skilled visa¹. If you are an Assessment Level 3 student you may be exempt from the mandatory imposition of the 'no further stay' if you can show an additional A\$12,000 and funds to cover living and school costs for a 12 month period in addition to the period of your intended study in Australia.

A 'no further stay' condition may also be imposed on your visa, irrespective of your assessment level or period of study, if the decision maker considers this appropriate.

Condition 8535

If you are sponsored by the Commonwealth of Australia or the government of your home country, you may be subject to this 'no further stay' condition. This means that after entering Australia, you will not be entitled to be granted any other visa while you remain in Australia apart from a further student visa with permission to work or a further student visa with the consent of your sponsor¹.

Visa application charge

Your completed application form, together with the correct visa application charge, can be lodged at the nearest Australian Government office if applying outside Australia, or at the nearest DIMIA office if applying in Australia. You can check the visa application charge with your nearest DIMIA office, or from form 990i *Charges*, which is available in the Forms section of DIMIA's website www.immi.gov.au/allforms/990i.htm

Payment must accompany your application and is generally not refunded if the application is unsuccessful. If you have paid enrolment or tuition fees, it is your responsibility to get a refund of these fees.

¹ Or to engage Australia's protection obligation under the 1951 UN convention relating to the status of refugees.

To make a payment in Australia, please pay by credit card, debit card or by bank cheque or money order made payable to the Department of Immigration and Multicultural and Indigenous Affairs. **Please do not pay by cash or personal cheque.**

For clients outside Australia, before you make a payment, please contact the Australian Government office to find out what methods of payment can be accepted at that office.

Authorisation of a person to receive written communications

You may authorise another person to receive all written communications about your application for a student visa with DIMIA. That person will be known as your authorised recipient. To do this you will need to complete Question 77 *Options for receiving written communications* and Question 79 *Authorised recipient details* in this form. The authorised recipient will need to sign at Question 81. You can only appoint one authorised recipient at any time. DIMIA will communicate with the most recently appointed authorised recipient.

DIMIA is required under section 494D of the *Migration Act 1958* to send to your authorised recipient any written communication relating to your application that would otherwise have been sent to you. DIMIA will only send to your authorised recipient information that you are entitled to receive. For example, if you are a visa applicant and have a sponsor, your authorised recipient will not receive personal information about your sponsor, unless your sponsor also appointed the same authorised recipient.

If you decide to change the authorised recipient that you have nominated after you have lodged your application, you must promptly advise DIMIA in writing of the details of that person.

If you are a Business Skills visa holder and need to advise DIMIA of a change of authorised recipient you should use form 922 *Notification of address or change of address for Business Skills visa holders*.

Authorisation of a migration agent to act on your behalf

If you have a migration agent acting on your behalf in relation to your application for a student visa you need to complete Question 77 *Options for receiving written communications* and Question 82 *Migration agent details*. The migration agent will need to sign at Question 84.

Appointing a migration agent to act on your behalf includes authorising DIMIA to send to that agent any written communication about your student visa application that would otherwise have been sent to you.

You will be taken to have received any documents sent to that agent as if they had been sent to you.

When you provide details of the migration agent please make sure you give the agent's 7-digit migration agent registration number (MARN) and the agent's full name.

If you change your migration agent or end his/her appointment after you have lodged this application you must promptly advise DIMIA by using form 956 *Appointment of migration agent or exempted agent*, which is available on the DIMIA website or from your migration agent. You should also notify the agent of this, preferably in writing.

Appointing a migration agent to act on your behalf includes authorising DIMIA to:

- discuss your student visa application with your agent and seek further information via your agent; and
- send to your agent any written communication about your student visa application that would otherwise have been sent to you. This means your migration agent will be your authorised recipient for written communication under section 494D of the *Migration Act 1958* and you will be taken to have received any documents sent to the migration agent as if they were sent to you.

DIMIA will communicate with your agent about your application, including your personal information such as health, police checks, financial viability and personal relationships. If your agent authorises it, this communication may take place by e-mail. DIMIA will only send to your agent information which you are entitled to receive. For example, if you are a visa applicant and have a sponsor, your agent will not receive personal information about your sponsor, unless your sponsor has also appointed the same agent.

In some situations DIMIA staff will need to speak with you directly, rather than your migration agent, for example, if you are applying for a visa DIMIA may interview you about your personal circumstances relevant to the visa application. In some situations DIMIA staff will also send documents to you directly (such as your passport) instead of sending these to your agent, but will inform your agent that it has done so.

If you have appointed a migration agent to act for you, you are still responsible for the accuracy of information and supporting documentation that you provide to your agent so that your agent can provide it to DIMIA.

Using a migration agent

You are not required to use a migration agent. However, if you intend to use a migration agent you are advised to use a registered migration agent.

Under Australian law, anyone who uses knowledge of migration procedures to offer immigration assistance to a person wishing to obtain a visa to enter or remain in Australia must be registered.

A list of registered migration agents is available from the Migration Agents Registration Authority (MARA) website www.themara.com.au

You can contact the MARA at:

PO Box Q1551
QVB NSW 1230
AUSTRALIA

Phone: 61 2 9299 5446

Facsimile: 61 2 9299 8448

E-mail: themara@themara.com.au

Registered migration agents are bound by the Migration Agents Code of Conduct and generally charge for their services. The MARA investigates complaints against registered migration agents and may take disciplinary action against them. If you have a concern about a registered migration agent, you should contact the MARA. You can also download a copy of the complaint form from MARA's website.

Continued on the next page ►

Using an agent exempted from registration

Only registered migration agents can provide 'immigration assistance' for a fee or gift. However, certain people, such as officials, parliamentarians, diplomats, are able to provide immigration assistance as exempted agents so long as they do not receive a fee or gift.

If you wish to appoint an exempted agent you must complete form 956 *Appointment of migration agent or exempted agent* and attach it to this application form.

Residential address

You must tell DIMIA where you intend to live while your application is being dealt with. Failure to give a residential address will result in your application being invalid. A Post Office box address will not be accepted as your residential address.

Consent to communicate electronically

DIMIA may use a range of means to communicate with you. However, electronic means such as fax or e-mail will only be used if you indicate your agreement to receiving communication in this way.

To process your application DIMIA may need to communicate with you about sensitive information, for example, health, police checks, financial viability and personal relationships. Electronic communications, unless adequately encrypted, are not secure and may be viewed by others or interfered with. If you agree to DIMIA communicating with you by electronic means, the details you provide will only be used by DIMIA for the purpose for which you have provided them, unless there is a legal obligation or necessity to use them for another purpose, or you have consented to use for another purpose. They will not be added to any mailing list.

The Commonwealth Government accepts no responsibility for the security or integrity of any information sent to DIMIA over the internet or by other electronic means.

If you authorise another person to receive documents on your behalf and they wish to be contacted electronically, their signature is required on the form to indicate their consent to this form of communication.

About the information you give in this form

DIMIA is authorised to collect information provided on this form under Part 2 of the *Migration Act 1958* 'Control of Arrival and Presence of Non-Citizens'. The information provided will be used for assessing your eligibility for a student visa to travel to and enter and/or remain in Australia, to monitor the conduct of migration agents, and for other purposes relating to the administration of the Migration Act.

The information you provide might also be disclosed to agencies who are authorised to receive information relating to adoption, border control, business skills, citizenship, education, health assessment, health insurance, health services, law enforcement, payment of pensions and benefits, taxation, review of decisions and regulation of migration agents. It will also be disclosed to any agency of the Commonwealth of Australia, or of a State or Territory, that is responsible for or otherwise concerned with the regulation of education providers.

Relevant information about you will be disclosed to Federal, State and Territory police to assist in your location and possible detention in the event that you become an unlawful non-citizen. You will become an unlawful non-citizen if your visa ceases and you do not hold another visa authorising you to remain in Australia.

The information on this form, including the results of any tests for Human Immunodeficiency Virus (HIV), will be used to assess your health for an Australian visa. A positive HIV **or other** test result will not necessarily lead to a visa being denied. Your result(s) may be disclosed to relevant Commonwealth, State and Territory health agencies.

In addition, the relevant registered education provider(s) may be told whether or not your visa has been granted. The collection, access, storage, use and disclosure by DIMIA of the information you provide in this form is governed by the *Privacy Act 1988* and, in particular, by the 11 Information Privacy Principles. The information form 993i *Safeguarding your personal information*, available from DIMIA offices, gives details of agencies to which your personal information might be disclosed.

The *Freedom of Information Act 1982* also relates to your personal information. Under this Act you can apply for access to documents containing your personal information. You or someone authorised to access information on your behalf can apply to do this at any DIMIA office in Australia. There is no fee for accessing your own information. If you are overseas, you must also provide the Australian Government office with an address in Australia to which copies of personal records can be sent. More information on how to make a request under the Freedom of Information Act is given on form 424 *Request for access to documents*.

Review rights

If you apply for a student visa in Australia and you are refused the visa, you may apply for a review of the decision. You will be notified of your review rights in writing and the time limits for lodging such an appeal.

There are no review rights for decisions to refuse a student visa where the application is made outside Australia.

Declaration

Before signing the declaration refer to the DIMIA website to ensure that you have attached all documentation listed for your Assessment Level and Sector.

86 The following declaration must be signed and dated by all people over 18 years of age included in this application.

Both parents or any person who has legal custody must complete the declaration on behalf of any children under 18 years of age or any person who lacks the legal capacity to sign on their own behalf.

- I certify the information supplied on or with this form is correct.
- If granted a visa, I acknowledge that I am required to abide by its conditions as outlined in the information form 1160i Applying for a student visa.
- I have attached all documentary evidence as specified on the DIMIA website for my Assessment Level and the visa subclass under which I am applying.
- I acknowledge that I understand that if the 8534 visa condition is imposed on my visa, it will be indicated by the condition code '8534' and by the short description 'No Further Stay'. I acknowledge that this means that the 8534 condition has been imposed on my visa and that I will not, while in Australia, be entitled to the grant of any other visa¹, apart from:
 - a further student visa with permission to work, the application for which was made on form 157P; or
 - a subclass 497 (Graduate-Skilled) visa.
- I understand that the effect of the 8534 visa condition is that it will not be possible for me to apply to remain in Australia beyond the authorised date on my visa label¹ and that I will be required to depart Australia on or before the date notified on my visa label. I agree to having this condition included on any visa issued to me as a result of this application if DIMIA decides to impose it as a condition of grant of a visa.
- I acknowledge that I understand that if the 8535 visa condition is imposed on my visa, it will be indicated by the condition code '8535' and by the short description 'No Further Stay'. I acknowledge that this means that the 8535 condition has been imposed on my visa and that I will not, while in Australia, be entitled to be granted any other visa¹, apart from:
 - a further student visa with permission to work, the application for which was made on form 157P; or
 - a further student visa, with the consent of my sponsor.
- I understand that the effect of the 8535 visa condition is that it will not be possible for me to remain in Australia beyond the authorised date on my visa label¹, unless I am applying for a further student visa with the consent of my sponsor, and that I will be required to depart Australia on or before the date notified on my visa label. I agree to having this condition included on any visa issued to me as a result of this application if DIMIA decides to impose it as a condition of grant of a visa.
- I am aware that I must immediately advise DIMIA if I become aware that any information provided in this form is incorrect or if there is a change in my circumstances that are relevant to this application at any time.
